

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules.

Already limits on accurate, unbiased reports force us to search for alternative media, frequently foreign. Each step taken to conglomeratize sources of news reduces our opportunity to hear truth from various perspectives, and draw our own conclusions. This fact is basic to democracy. Without an informed public democracy perishes.

With the serious impact these proposed rule changes will have on our democracy, it is incumbent on the Commission to take the time to review these issues more thoroughly and allow the American people to have a meaningful say in the process.

Thank you,

Most sincerely,

Elizabeth H. Yeager
